

2019-2020 Milton Area School District Goals

1. Through a commitment of district resources, a school and community public relations model will be established to maintain and expand the Milton Area School District reputation, enhance its prestige and present a favorable image through positive and effective communication and branding.
2. For the 2019-2020 school year, universal screeners and research based practices will be identified to aid the classroom teacher in using interventions that will support students in developing new behaviors and to construct a comprehensive MTSS framework for behavior.
3. A Continuous Improvement Plan will be formulated for the elementary, middle and high school levels, using current data and statewide benchmarks, to meet or exceed Future Ready Index categories.
